

# Search & Recruitment

## FINDING TOP-NOTCH EMPLOYEES

PeopleFirst HR Solutions is the area's premier full-service talent acquisition provider. We strive to find high quality talent that will help your organization to perform at its maximum potential. Using our strong network of global connections, we can help you find the best candidates for your business needs.

From technical to executive positions, our team of job placement experts can find you the high quality candidates you need, when you need them.

## ENSURING HIGH QUALITY

Hiring the wrong person can be a very costly mistake. We at PeopleFirst HR Solutions minimize the risks associated with recruiting a new employee. Our professionals conduct in-depth candidate reviews, which include assessments to evaluate the competency and quality of each recommended candidate. We also conduct extensive background and reference checks.

When we send you a candidate, we do so with the utmost confidence that the candidate meets your criteria and would be an asset to your organization.

*"The PeopleFirst team has been an outstanding resource for our company's executive search efforts. The resources they use, as a part of their search process, are among the best in the industry — resources, which have provided us with an excellent field of candidates for the positions we were filling. They take us through the development of the "Ideal Candidate Profile" and then their recruiting efforts are specifically targeted to fulfill our hiring needs. With their expert assistance we have recruited and hired into the VP, Director, and Supervisor levels of the organization.*

*Fast, professional, results oriented, and friendly, that's PeopleFirst!"*

- Human Resources, Large Manufacturing Organization
